

MICHIGAN LIBRARY STATE AID

Application Process: The state aid application process opens annually on October 1 and closes on February 1. Public library payments begin in early March.

The per capita for State Aid to public libraries can be found at <http://michigan.gov/librарystateaid>. The breakdown of the first 50% for State Aid is divided between direct State Aid (for the public library) and indirect State Aid (for cooperative membership).

The remaining 50% will be paid out after July 1 of each year in the same manner.

Please feel free to call Carol Dawe for assistance with the annual library survey and for any reports that may be needed. Sheryl VanderWagen supplies this information on the basis of each library's fiscal year.
