

## **ATTN: KENT DISTRICT & GRAND RAPIDS PUBLIC LIBRARY USERS**

Are you interested in continuing to place holds and pick up materials from the Lakeland Shared ILS libraries?

Stop at a circulation desk to have your library account updated with your “home away from home” for participating libraries.

Place up to 15 holds on print materials in the shared system.

This excludes new books, music, DVDs, video games, eBooks and materials from MeLCat.

Walk-in service is provided for all materials.

Return materials to the library they were borrowed from.
